

A Celebration of God's Saving Work
Bro. Steve Cochran
April 3, 2022

I. It is time for a Memorial!

God has done great things, and desires to do greater things going forward.

II. It is time for a Festival!

- What has the Lord done in and through this church over the past 150 years?
- How many have come to salvation?
- How many marriages have been saved?
- How many people have been redeemed through the mission pursuits and activities from this church?
- Can you begin to imagine how many men and women have been called by God to serve in ministry through the years?

III. It is time for a Renewal!

We have reason to commemorate God's work and to celebrate God's blessing, but PASSOVER was also set apart to convict God's people.
