One truth (New City Catechism Questions 50 and 51)

What does Christ's resurrection mean for us?

Christ triumphed over sin and death by being physically resurrected, so that all who trust in him are raised to new life in this world and to everlasting life in the world to come. Just as we will one day be resurrected, so this world will one day be restored. But those who do not trust in Christ will be raised to everlasting death.

Of what advantage to us is Christ's ascension?

Christ physically ascended on our behalf, just as he came down to earth physically on our account, and he is now advocating for us in the presence of his Father, preparing a place for us, and also sends us his Spirit.
