

**Extended Care
September – October, 2020**

Dear friends,

With regular Sunday School and Worship resuming, I have had to plan for childcare for the Preschool. Some workers/volunteers are not ready to come back to church, so I have had to revise the ETC schedule. I have just planned for September and October. Hopefully this will work for the coming weeks.

Thanks you so much! I you have any questions, please call me at 903-767-3758.

In HIS Service,
Karen
